

Bring your family & celebrate with Cougar friends as we kick off the school year with

ARNO MAD SCIENCE NIGHT!

EXPERIENCE A FIRE AND ICE SHOW

Scientists will demonstrate spectacular chemical reactions!

We will learn how to float beach balls using no hands, discover just how cool dry ice is, experience spooky fog, and more!

Thursday, September 29th

\$5 admission per family

K - 2nd grade come for the 6pm show

3rd, 4th and 5th come for the 7pm show

Have multiple grade level kids? No problem just pick one show to come to! Both are the same presentation. Times have been split to better space out attendance. Join us in the cafeteria after for snacks!

Please return this portion with \$5 admission fee per family (cash or check made out to Arno PTA). Submit to your child's teacher or to the main office.

Childs Name _____ Grade _____
