

Arno Fun Run Classroom Goal Update!!

Wow, take a look! See if your child's class is reaching their classroom pledge goal. There is still time to help them, so all students receive their pedometer for making a donation! Remember, every child at Arno Elementary will participate in the FUN RUN! We need 100% participation with ANY donation amount.

We're currently at 65% of our \$15,000 goal! 207 students out of 500 have registered and 120 are Superstars with \$50 or more collected!

Arno needs all students to register (it's free and takes two minutes)! Simply click the star.

Donations of any amount are greatly appreciated; however, we are striving for all students to raise \$50! The Fun Run is a super fun and exciting day for every student! In order to keep having it, Arno has to reach our goal! When all classrooms reach their goals, the school reaches their goal and everyone WINS!
