Dear Parent/Guardian,

I am writing to ask you to participate in the Adolescent Brain and Cognitive Development (ABCD) study. Over 10,000 children across the country will join this landmark study, supported by the American School Health Association and National Institutes of Health.

The attached brochure has additional information about the study. Participants will be paid for their time, up to \$400 per year.

Please consider being part of this important study with your child.

For more information, please fill out and return the attached postcard or contact us:
