

Holiday Toy Box Drive

Sponsored by
Allen Park High School

Hello Parents, Staff, and Community Members,

Allen Park High School students, along with school organizations and district schools, are working together to help families in need during the upcoming holiday season by building wooden toy boxes and book shelves and filling them with toys, books, and clothing.

As in previous years, we need your help! If you'd like to adopt a toy box and pay for the cost of the materials (students construct them), the donation needed is \$50. If you'd like to donate new items or clean, gently-used articles, you may drop them off at any of the district schools' main offices.

If you know of a local family in need who would appreciate help this holiday or are asking for some extra help for your own family, to please contact Mrs. Jeannette MacDonald, counselor at Allen Park High School: macdonald@appublicschools.com or at 313-827-1236.

We hope that you will consider participating this year to help make the holidays of local families a bit brighter.

The annual APHS Toy Box Drive Party will take place December 13th, from 3-4:30pm for district students and staff. Join us for cookies and hot chocolate, with a performance by the Jazz Band, as well as a visit from Santa! Please feel free to stop by. Small donations or unwrapped presents will be accepted at the door. All students are welcome.
