Consider how the educator builds on strengths and overcomes weaknesses, recognizes differences among students, and inspire students academically and personally. Consider how the educator initiates and supports communication between parents and students, and between parents and educators. Also consider how the educator links the classroom and the community.

Each unit may select one individual to receive this award. **Five** years must elapse before a past recipient of this award can again be eligible for nomination in this category. The award will be presented at the Founder's Day Dinner.
