

**ALLEN PARK PTA/PTSA COUNCIL
2018 OUTSTANDING SUPPORT PERSONNEL**

The goal of this award is to recognize a person that demonstrates professional excellence and a commitment to the students of our district. This person is someone in your building who gives tirelessly and without looking for praise. It should be a person who assists in the overall educational process that is a non-certified staff member (ex. paraprofessional, cafeteria staff, custodial staff, etc.) that helps to better the lives of children and the building in which they represent. They are someone who goes above and beyond the role of “support personnel.”
