The students at Allen Park Elementary Schools participate in the Bowlers Ed In-school Bowling Program. This program is in partnership with Bowlers Ed, the Bowling Centers Association of Michigan, Thunderbowl Lanes and the school Physical Education Department. The Bowling H-A-S It Club is designed to provide a fun and healthy activity using the skills students learned in school. In addition, a portion of the weekly fee is donated back to the Phys. Ed. Dept. This is not an official school program. Parents are responsible for both transportation and behavior of their children.
