Welcome to Arno Kindergarten families! We are so excited to meet our new Arno Cougars this fall and look forward to their learning journey at our school!

To get this process started, we are inviting you to a live virtual Kindergarten Roundup event on May 3 at 6:30. We will have a slide presentation to present, as well you will get to meet our Kindergarten and Young 5's teachers at Arno. You will be able to access the presentation through the link below, and submit any questions or concerns you may have through the Google form that is also listed below after the live presentation is over (It's a view-only format)

If restrictions are eased up in August, we have hosted a New Family event for families to come in and tour the building- stay tuned.
